APPLICATION FOR A NOISE PERMIT TO ALLOW CONSTRUCTION, REPAIR OR EXCAVATION NOISES

Pursuant to the Phoenix Municipal Code, Chapter 8, upon application to the City Manager, and approval from the Public Works Director and the Chief of Police, the City Manager may grant permits to contractors for construction or repair noise or excavation of streets and highways beyond the hours of 7 am to 7 pm. The City Manager’s decision shall be final.

NOTE: SPECIAL CONDITIONS: IF THIS CONSTRUCTION, REPAIR OR EXCAVATION IS TO BE CONDUCTED ON A STATE HIGHWAY, YOU MUST ALSO OBTAIN PERMISSION FROM ODOT, 200 ANTELOPE ROAD, WHITE CITY, OR 97503 (541) 774-8184. In addition, the applicant must contact residents in the immediate area that may be affected by the noise and advise them in advance of any amplification (NOTIFICATION TO SURROUNDING RESIDENTS OF INTENTION TO CREATE CONSTRUCTION OR REPAIR NOISES – form attached for your convenience.) If the noise is too loud, the contractor should be contacted directly by the affected person. In the event the Police Department has to intervene, the permit will be voided at the time of the construction, repair or excavation and noise shall not be allowed to continue. Please be considerate of the neighborhood.

By signing this application, you are agreeing to the time allotted by the Public Works Director and Chief of Police for the construction, repair noise or excavation noise to operate and take responsibility to seeing that the information on this form is followed, including notifying surrounding residents in advance of an upcoming construction, repair or excavation event.

INSTRUCTIONS FOR COMPLETION OF APPLICATION FOR NOISE PERMIT

Fill in the details on the form and then either send it or take it by the Police Department (114 W 2nd Street) for the Chief of Police's signature, the Public Works Department for the Public Works Director's signature (100 S "B" Street) and the Planning Department (112 W 2nd Street) for the Planning Official's signature. It will then be forwarded to the City Manager for approval and signature. The completed and signed application will act as your permit and will be forwarded to you once the signatures are received.

It is your responsibility to notify residents in the immediate area that may be affected by the construction, repair or excavation noise. A form entitled "Notification to Surrounding Residents of Intention to Construct, Repair or Excavate" is attached for your convenience and may be used if you wish. Please feel free to duplicate the form for your use. Although it is not necessary to use the form, it is important for surrounding residents to be aware of the event and to be in possession of a telephone number so they know where to contact you if necessary.

By notifying surrounding residents in advance of the event, it is the intention of the City of Phoenix that you will have an opportunity to correct noise levels if you are contacted directly by a resident. In the event the Police Department has to intervene, the permit will be voided at the construction and repair will not be allowed to continue.

City Code, Chapter 8, Noises Prohibited: Construction or Repair of Buildings, Excavation of Streets and Highways: The construction, demolition, alteration or repair of any building or the excavation of streets and highways other than between the hours of 7:00 am to 7:00 pm, on weekdays. In cases of emergency, construction or repair noises are exempt from this provision. In non-emergency situations, the City Manager may issue a permit, upon application, if the City Manager determines that the public health and safety, as affected by loud and raucous noise caused by construction or repair of buildings or excavation of streets and highways between the hours of 7:00 pm and 7:00 am will not be impaired, and if the City Manager further determines that loss or inconvenience would otherwise result. The permit shall grant permission in non-emergency cases for a period of not more than three days. The permit may be renewed once for a period of three days or less.
